

What is interesting in neighborhood

A few words about history of quarter and house...

Žižkov is interesting historic quarter of Prague, which was built on the begin of 19th century. The house where you are was built in the 1898 in the period of the greatest construction in this area. The original builder and owner was Mr. Egerer. He has sold the house before the second world war to the meat company. This company has built under whole yard big 3 floors high meat factory.

..and about today

These spaces serve as a music rehearsal today. There meet the beginning music groups and they practice their art. The entrance in their spaces, you can see on the left side from the main door in the house. On the right side from the main door is the entrance in the pub Jetclub. This is pub and music club. There are arranged concert in the style basement spaces sometimes. In the past times was serve this spaces as a stores of coal for single flats.

In next paragraphs are described some interesting places in Neighborhood. All described places have the code, which you can find on the map „Neighbourhood“ added on the end of this document.
